# Misfuel

---

Every day, 400 people in the UK put the wrong fuel in their car, often with costly consequences. With the number of diesel cars on the increase, more households than ever own multiple cars which use different fuel types, leading to a rise in misfuelling accidents.

Now you can protect yourself against a moment's lack of concentration for just £19. We'll arrange for the draining and removal of the contaminated fuel, either in situ or at the nearest garage, and refuel your vehicle with up to £10 of the correct type.

# Total Loss Protection

From  
**£36.99**  
for a year

It's a fact of life that your vehicle will lose some of its value over time - you'll never get back the thousands you've paid for your shiny new motor. But there is a way to protect your investment and make depreciation a thing of the past in the unfortunate event of your vehicle being declared a total loss.

While your vehicle's insurer will only pay out its current market value, our Total Loss Protection insurance will top this up by 25 per cent, up to a maximum of £10,000, giving you extra funds to buy a suitable replacement.

**Terms and conditions apply.**

Insurance premium for the vehicle	Total Loss Protection
£0 to £500	£36.99
£501 – £1,000	£53.99
£1,001 – £1,500	£74.99
£1,501 – £ 2,000	£95.99

# Learner Driver Insurance

---

The cost of adding a young learner driver to your insurance can be prohibitive, but it's well-known that the more practice they get, the faster learners can pass their test.

Now learners can get all the experience behind the wheel they need from just £2 per day.

This new policy is perfect for people who want to use their car to give loved ones or family friends extra driving lessons - but without putting their no claims bonus at risk or forking out a fortune in additional premiums. Policies can be taken out for

one, two or three months on a car owned and insured by a third party for example a parent, covers vehicles up to insurance group 27 valued up to £20,000, and for learners up to the age of 25. Any claim will be settled on the learner driver's insurance policy, and will not affect the no claims bonus of the vehicle owner's insurance.
