Motor Insurance Database

Your policy details will be added to the Motor Insurance Database (MID), run by the Motor Insurers' Information Centre (MiiC). MID data may be used by the Driver and Vehicle Licensing Authority (DVLA) and the Driver and Vehicle Licensing Northern Ireland (DVLNI) for the purpose of Electronic Vehicle Licensing. MID data will also be used by the Police for the purposes of establishing whether a driver's use of the vehicle is likely to be covered by a motor **insurance policy** and/or for preventing and detecting crime. If you are involved in an accident (in the UK or abroad), other UK insurers, the Motor Insurers' Bureau and MiiC may search the MID to obtain relevant **policy information**.

Persons pursuing a claim in respect of a road traffic accident (including citizens of other countries) may also obtain relevant **information** which is held on the MID.

You can find out more about this from **us** or at www.miiic.org.uk.

What to do if

The following pages are to help **you** and do not form part of the **insurance** contract.

You change your vehicle

If **you** change **your vehicle**, **you** must contact **your** broker or adviser. They will need to know the make and model, year of manufacture, engine capacity, registration number and **your** estimate of the value.

You also need to tell **us** if the vehicle is in any way different from the manufacturer's specification. If **you** are not sure, tell **us**.

Please remember to tell **us** and make sure **you** have the **cover you** need before **you** drive **your vehicle**. **You** will need to return **your** old **certificate of insurance** so that **we** can cancel it.

You change your address

We calculate **your** premium according to the area in which **you** live. If **you** change **your** address, tell **your** insurance broker or adviser.

We also need to know whether **you** will keep **your vehicle** in a garage. If **your vehicle** is not kept in a garage, please tell **us** where **you** will keep it when **you** are not using it.

You want to change drivers

Your certificate of insurance shows who may drive **your vehicle**. If **you** want to change any of the drivers, tell **your** insurance broker or adviser. They will ask **you** a few questions.

Please remember to tell **us** and make sure **you** have the **cover you** need before **you** allow the person to drive **your vehicle**. **You** may need to return **your** old **certificate of insurance** so that **we** can alter it.

You want to take your vehicle abroad

Some changes may mean **we** need to alter **your** premium. **Your** insurance broker or adviser will tell **you** if this happens.
