# ABOUT YOUR HOME INSURANCE POLICY.

## CHANGING YOUR MIND

If you decide this policy is not right for you, all you need to do is tell us within 14 days of your cover starting or renewing or when you receive your policy documents. We will refund the premium you have paid for the period of unused cover.

You can read more details about cancelling your policy after 14 days in condition 3 of the 'General conditions applying to this policy'.

## CHANGING YOUR CIRCUMSTANCES

The statement of fact, which is enclosed with your policy documents, details the information supplied by you, on which your policy is based. If any of this information is incorrect or changes, for example if you move house or if there is a change in the use or occupancy of the home, you must tell us or your insurance intermediary. Changes may affect or invalidate your insurance, so please tell us as soon as you can.

If you are not sure if you need to tell us, contact us or your insurance intermediary to ask.

### UNOCCUPANCY

We will not pay for loss or damage by certain causes such as malicious acts, theft and escape of water or oil, if the home is not to be lived in for more than 60 consecutive days. There is no cover from the first day the home is not lived in until such time as it is occupied again by you or persons with your permission, for continuous normal living purposes. Regular visits to the home, or occasional overnight stays, will not reinstate this cover.

If you know your home will not be lived in for any period exceeding 60 consecutive days by you or persons with your permission, you must tell us as soon as you can. We appreciate that everyone's living patterns can differ and circumstances unexpectedly change so if there is any doubt please contact us or your insurance intermediary immediately.

If the home is left unoccupied for more than 60 days, the chances of a loss arising increase and any damage is likely to be greater than it would be if the property was occupied. So, our assessment of the risk would be different for an unoccupied property.

### MAINTAINING YOUR PROPERTY

Please remember that it is your responsibility to look after and regularly maintain your property. Your policy is intended to cover you against sudden and unforeseen events like fire or theft. It does not cover wear and tear or damage that happens gradually over a period of time such as damp, rot or damage by vermin.

You should also regularly check your home, particularly areas commonly prone to 'wear and tear' such as guttering, flat roofs, fascia boards and boundary walls. If you are unable to inspect or view these areas from ground level or via nearby windows, then relevant building experts should be employed by you to do so.

### PROTECTING YOUR HOME

Good security reduces the risk of your home being burgled. Carefully consider how a burglar may gain entry to your home, garage and outbuildings (such as a shed) and what you can do to prevent this. Always fit good quality locks.

You will find information about protecting your home from theft in our 'helpful hints' section of this booklet. For further advice talk to your local police, a member of the British Locksmiths Association or visit [www.homeoffice.gov.uk](http://www.homeoffice.gov.uk).

**Important:** Check your policy schedule to see if we have applied our minimum standards of security endorsement. If so, you must ensure that you fit and use the window and door locks specified.

### STORMS AND EXTREME WEATHER

We consider storm to be strong winds of 41 knots/47mph or more, sometimes accompanied by rain, hail or snow. Heavy or persistent rain alone does not constitute storm unless the downpour is torrential (25mm/1 inch or more of rain over a one hour period, or a proportionate amount over a shorter time). Buildings in sound condition will withstand all but the most extreme weather. It is important to remember that you are responsible for maintaining your property in a good state of repair.

If you are claiming for storm damage we will ask you to provide us with the date of the damage and show us how the conditions at the time damaged your home. We may appoint one of our specialists to inspect your home or ask you to provide us with a report by your contractor.

## VERY IMPORTANT NOTICE.

Please note that this home insurance policy is designed to insure your property against loss or damage. It does not cover the maintenance of your home.

That means we will not cover the cost of wear and tear or maintenance costs such as defective rendering, repointing chimneys or general roof maintenance.

We also do not cover damage that happens over time such as damp, rot or damage from vermin.

You should keep your property in good repair, and take reasonable steps to avoid loss or damage.

### THE FINANCIAL SERVICES COMPENSATION SCHEME

The Financial Services Compensation Scheme (FSCS) is designed to pay customers compensation if they lose money because a firm is unable to pay them what they owe for any reason. Your ability to claim from the scheme and the amount you may be entitled to will depend on the specific circumstances of your claim.

Most customers, including most individuals and small businesses, are covered by the scheme. You can find out more about the FSCS (including amounts and eligibility to claim) by visiting its website:

[www.FSCS.org.uk](http://www.FSCS.org.uk)

or calling:

0800 678 1100

The FSCS may arrange to transfer your policy to another insurer, provide a new policy or if these are not possible, provide compensation. FSCS compensation covers payment up to 90% of the value of the claim per firm. There is no upper financial limit on the claim. However, the rules of the FSCS may change and the FSCS may take a different approach on the application of these rules to a firm depending on the circumstances of the failure of that firm.

# PROTECTING OUR CUSTOMERS AND US FROM FRAUD.

## WHAT IS FRAUD?

### **Fraud by deliberately not telling us the truth**

A person is committing fraud if they:

- knowingly make an untrue or misleading statement about their circumstances or their claim; and
- intend to make a gain or cause a loss to someone else, for example their insurer.

### **Fraud by failing to provide information**

A person is committing fraud if they:

- fail to give us information we ask for; and
- intend to make a gain or cause a loss to someone else, for example their insurer.

## HOW WE DEAL WITH FRAUD

Insurance fraud is a serious issue, so we take certain measures to protect us and our customers from it.

Fraud leads to a rise in premiums, so in order to be fair to all our customers, we are rigorous about finding and stopping fraud.

If fraud is established we will:

- Cancel the policy cover without any refund of premium.
- Not pay any claims under the policy.
- Recover any money already paid.
- Recover any investigation and legal costs.
- Inform other organisations as well as anti-fraud databases such as CIFAS, CUE and Hunter.

We can also inform the police, which could result in prosecution.

# MAKING A CLAIM.

We are determined to provide you with a fair and exceptional customer service. We recognise that any loss or damage to your family home and possessions causes you a great deal of distress. When things go wrong, we are ready and waiting to put them right as quickly and efficiently as possible.

## INFORMATION NEEDED WHEN MAKING A CLAIM

Contact us as soon as you can. We will take as many details as possible over the phone, so it helps if you have got the following to hand:

- Policy number.
- Date and time of the loss or damage.
- If relevant, the police loss report number or crime reference number.

We may request more information such as:

- The date and place of purchase, plus receipts, invoices, instruction booklets, valuations or photographs.
- The location of the property when it was lost or damaged.
- For damaged property, confirmation from a suitably qualified tradesman of the cause of damage and whether or not the item can be economically repaired.

We may not meet your claim, or settlement may be reduced, if you cannot provide these details.

Sometimes we or an expert we appoint may wish to meet you to discuss the claim, inspect the damage, or carry out further enquiries.

**Make sure you do not throw away damaged contents. Store them in a dry place as you will need them to support your claim.**

## WARRANTIES AND GUARANTEES

Please be aware that in the event of a claim, items covered by the policy may be replaced or repaired by specialists appointed by us. Certain products may be subject to warranties or guarantees that become invalid if a third party modifies, adjusts or repairs the item.

We do not cover the invalidation or loss of any warranty and guarantee as part of your cover.

Any item replaced will have the normal manufacturers guarantee and any repair work will have a warranty by our supplier for the work done. In the event of a repair of an item, please inform us and any specialist appointed by us of any warranty that applies; we may choose a repair by the original supplier in order to preserve your warranty.

## HOW TO MAKE A CLAIM

We take pride in the claims service we offer to our customers and believe it should be as straightforward as possible.

If an accident, loss or damage occurs to your home or belongings that could result in a claim, then this is what you need to do.

If you are in any doubt as to what you should do, or you need help in making your claim, please give us a call.

### 1. CHECK WHETHER YOU ARE COVERED

- Check your policy schedule, which lists the sections of cover you have chosen and any endorsements that apply.
- Refer to this policy booklet, particularly the section relevant to your claim. Please check:
  - Details of what we will and will not cover.
  - ‘Claims settlement’ at the end of each section – this tells you about any conditions that may affect the amount of any claim settlement.
  - All general exceptions and conditions.

### 2. REPORT TO POLICE (IF APPLICABLE)

Please report the following to the police as soon as possible and obtain a crime reference number or loss report number as appropriate:

- Theft, attempted theft or loss of property.
- Any loss or damage caused by malicious acts, vandalism, riot, civil commotion, strikes or labour disturbances.

### 3. MAKE A CLAIM

Please take a look at the examples of ‘Information needed when making a claim’ on the previous page before giving us a call.

Their address is: HomeServe Claims Management Ltd, Fulwood Park, Caxton Road, Fulwood, Preston PR2 9NZ.

You should always immediately contact the emergency services or the public supply authority if there is an emergency that could result in serious damage or danger. Suspected gas leaks should always be reported to the National Gas emergency helpline on:

We will write to confirm your claim details and keep in touch by phone to let you know what is happening.

We may ask an independent loss adjuster to visit you, in which case we will let you know.

Complicated claims, such as those for subsidence, may take longer than usual to complete. If that is the case we will give you the name of a personal contact who will keep you informed about progress.

#### 4. WHAT HAPPENS NEXT? (continued)

##### Replacement and repairs

We take pride in the claims service we offer to our customers. We have a number of approved suppliers and specialists who will carry out repairs and replace damaged items.

We may offer repair or replacement through our approved suppliers. However, if you prefer to use your own tradesman or receive a cash settlement for replacement goods instead, then we will need to agree this with you beforehand and any payment would not normally exceed the discounted amount we would have paid to our preferred supplier.

We may refuse to agree costs that are incurred by you before our agreed consent is given or for damaged items that are disposed of before inspection.

We try to make the claims process as sustainable as possible and will repair your property wherever it makes economic and environmental sense to do so.

#### EXCESSES AND HOW THEY APPLY TO YOUR POLICY

The excess is the amount you must pay towards each and every claim. The excesses are shown on your policy schedule and/or by endorsement.

There are three types of excess:

- Policy Excess: this is applied to all policyholders and is part of the policy terms, in addition to this excess there may be a:
- Voluntary Excess: this is an optional amount that you can choose which will reduce your premium but will also reduce the payment of claims under the policy; and/or a
- Compulsory Excess: these may be applied by us to your policy to reflect your policy risk. If we have added any compulsory excess, we will tell you before they apply, and they will be shown on your policy schedule and/or by endorsement. A compulsory excess may apply to one or all sections of the policy.

For example, a burglary could result in damage to your buildings and also theft of your contents. If both your buildings and contents were insured under this policy with a standard policy excess of £100 on each section, we would only apply one £100 excess.

If you had chosen a voluntary £150 excess under one or both of these sections, then the voluntary excess would apply in addition: i.e. we would add the two excesses together to make a total excess of £250 (£100 policy plus £150 voluntary). If your policy was subject to an endorsement that applied an additional compulsory £200 excess in respect of theft, then we would apply a total excess of £450 (£100 policy plus £150 voluntary plus £200 compulsory by endorsement).

We want you to understand how much you will have to pay in the event of a claim, so if you need any help or guidance, please do not hesitate to contact us.

# HELPFUL HINTS ON PROTECTING YOUR FAMILY AND YOUR HOME.

Every year thousands of people make insurance claims. At Legal & General, we strive to help customers deal with the distress they suffer at this time by ensuring the best possible service and trying to get things back to normal, where we can, as soon as possible.

We have put together some helpful hints to help you reduce the risk of some of the most common incidents happening.

## FIRE

- You will get an early warning of fire from a smoke alarm, so fit one on each floor of your home. Test your alarms regularly.
- If you have an open fire, you will need to have your chimney swept once a year so soot does not build up and cause a fire or brickwork damage.
- Half of all fires in the home happen in the kitchen. If you are cooking with hot oil take extra care, do not leave children alone in the kitchen and keep matches out of reach.
- Do not overload electrical sockets and switch them off at night. If you go on holiday, unplug all your appliances.
- If you are burning candles blow them out before you leave the room. You will need to keep them away from children and put them in secure holders. Put them on a surface that cannot burn and away from anything that could catch fire.
- If you smoke, you will need to make sure you stub out your cigarettes properly. Do not smoke in bed.
- Agree a fire escape plan with your family. You will need to know where you keep the door and window keys and how you will get out.
- If there is a fire, get everyone out and call **999**.
- You may find it helpful to speak to your local fire service to find out if they offer a free fire safety visit. You will find more information at: [firekills.direct.gov.uk](https://www.firekills.direct.gov.uk).

## THEFT

- Install window locks on ground floor windows and deadlocks on all your external doors. Check your doors are in good condition and have toughened glass.
- Lock all your windows and doors when you leave home, even for a quick trip.
- If you go on holiday, ask someone to keep an eye on your home and pick up your mail. You should cancel your milk and paper delivery.
- Make your home look as if someone is in by leaving lights or a radio on when you are out.
- If you have a shed or outbuilding keep it locked.
- Please keep your keys out of sight. Do not hide them under flowerpots or garden ornaments.
- Mark your valuable items with your postcode and house number with special security markers.
- Think about joining a neighbourhood watch scheme and/or having a burglar alarm installed. You will put off potential thieves.
- Do not let strangers into your home without proof of identity. Consider fitting a door safety chain or a spyhole.

For further advice talk to your crime prevention officer at your local police station, a member of the British Locksmiths Association or visit: [www.homeoffice.gov.uk](http://www.homeoffice.gov.uk).

## BURST AND FROZEN PIPES

- Check insulation and lagging on your water pipes and tanks. You will need to take extra care with any pipes outside or in your loft.
- If you go on holiday during the winter, keep your central heating on low. If you keep your loft hatch open warm air can get to your pipes.
- If you want to leave your heating off then you will need to drain your whole central heating system and switch off the water supply at the mains.
- You need to know where your stop tap is so you can switch the water off if a pipe bursts.
- If despite your precautions, your pipes do freeze, turn off the water at the main stopcock; also switch off the central heating and immersion heater, etc. Open the tap nearest to the part of the pipe you think is frozen so the water can flow through when it has melted.

## LEAKS

- Check your radiator valves regularly for leaks.
- Check and clear your gutters regularly. You will need to repair any damage so water does not get into your home.
- If you see any patches of damp, mildew or mould, get them checked. You might stop gradual leaks from damaging your home. These are not covered by your policy.
- Check the fitting and working order of your washing appliances.
- You will need to check your overflows on toilets, water tanks and central heating header tanks regularly. At the same time you can check that your ball cock valves close and the ball sits correctly.

**REMEMBER**

- Have a gas check once a year. A Gas Safe registered engineer should check that your boiler, radiators and gas appliances are safe and working properly.
- Check your roof for missing or loose tiles. You will need to repair any damage to prevent leaks.
- Check your trees and shrubs. If you have big trees ask a tree surgeon to look at them. Think carefully about where you plant any new trees or shrubs so the roots do not damage your home.
- You need to check your loft regularly for squirrel and wasp nests. If you do find any, have them removed.

We will pay **costs** as long as the **administrator** considers that **your** claim has **prospects of success**.
