# Protecting Your Vehicle and Belongings

## The following information is for guidance only; it does not form part of your policy

Remove the ignition key when you get out of the vehicle, even when parking in your own drive or at a petrol station. Your policy may not cover you if your vehicle is unoccupied with the keys inside it.

Never leave a door unlocked or a window or sunroof open, even when just going into a shop for a moment or two. If you use the key fob check the vehicle has actually locked before you leave it. Your policy may not cover you if you do not take reasonable precautions.

Don't leave any belongings in your vehicle. A thief won't know that a bag or coat doesn't contain something valuable and might break a window to get at it. If you can't take them with you, lock them out of sight. If you have a removable sat nav remove the cradle as well as the device and any suction marks that could show that it is in your vehicle.

Don't leave money, credit cards or cheque books in the glove compartment.

Never leave your vehicle documents in the vehicle; they could help a thief to sell it.

If you can, leave the vehicle in a locked garage and lock your vehicle and the garage. If you do not have a garage, try to park in a well-lit, open space.

At home, ensure your vehicle keys are kept in a safe place, out of sight and away from windows and doors.

When parking in a public car park, look for one that is well supervised, with restricted entry and exit points, good lighting and security cameras. Wherever possible use Park Mark® car parks – details of approved Park Mark® car parks can be found on [www.saferparking.com](http://www.saferparking.com).

Etch the vehicle's registration number on all glass surfaces – windows, sunroofs etc. Thieves don't want the expense of replacement.

If your vehicle is not fitted with an alarm or immobiliser, consider fitting one which is Thatcham approved. Also think about fitting a tracking device especially if you have a high-performance or an expensive vehicle.

## Remember!

Your policy may not cover loss of your vehicle, accessories or spare parts if your ignition key or card is in an unoccupied vehicle
