Important

This document provides details of your policy and the terms and conditions that apply.

Please read it carefully and keep it in a safe place.

Introduction

Your Clear Advance insurance policy is made up of several parts which must be read together as they form **your** contract. The basis of this contract is the information which **you** have supplied and/or the statement of facts including the declaration which **you** have checked to **your** satisfaction. Please take time to read all parts of the policy to make sure they meet **your** needs and that **you** understand the terms, exclusions and conditions. If **you** wish to change anything or if there is anything **you** do not understand, please let **your** insurance broker know.

The parts of the policy are:

- this Introduction, the General Exclusions and General Conditions, all of which apply to all sections of the policy;
- the sections of cover selected by **you**, including the Meaning of Words, the Exclusions and Conditions which apply to the section;
- the **schedule**, which includes all endorsements applied to the policy while the policy is in force.

If **we** explain what a word means, that word has the same meaning wherever it appears in **your** policy or **schedule**. These words are highlighted in **bold**.

Allianz will indemnify **you** in accordance with and subject to the terms of this policy, in consideration of the payment to **Allianz** of the premium for the period of insurance.

Signed on behalf of **Allianz**.

Andrew Torrance
Chief Executive

Please examine this policy and if it is incorrect return it as soon as reasonably possible to **your** insurance broker who will arrange for it to be amended.

How your cover works

We will insure **you** within the conditions of **your** policy for those sections named in the **schedule** for any insured Event which takes place during the period of insurance.

Your policy ends at midnight on the last day of each period of insurance.

Changes to your circumstances

Please tell **your** insurance broker as soon as reasonably possible if there are any changes to **your** circumstances which could affect **your** insurance.

Please refer to General Condition 13 on page 22 of this policy.

If **your** circumstances change and **you** do not tell **us**, **you** may find that **you** are not covered if **you** need to make a claim.

How to make a claim

- 1 Check **your schedule** and this policy which give details of what is covered and what is not covered.
- 2 Follow the General Conditions on page 21 of this policy.
- 3 Please ring **our** Household Claims Centre on 0844 893 9538 at **your** first opportunity to notify **your** claim.
- 4 **You** can make any reasonable temporary repairs as soon as possible on a without prejudice basis, but keep the bills as these may form part of **your** claim. It would be helpful if **you** could take photographs of the damage. **We** must have the chance to inspect the damage before **you** carry out permanent repairs.
- 5 If someone is holding **you** responsible for damage to their property or for **injury** to them, please tell **us** at **your** first opportunity and give **us** full written details. **You** must send **us** any claim form, summons or other legal document, as soon as reasonably possible and unanswered. Do not admit liability.
- 6 Any permanent repairs made by **our** approved suppliers are guaranteed.

If **you** have any questions, please contact **your** insurance broker.

Financial Services Compensation Scheme

If Allianz is unable to meet its liabilities **you** may be entitled to compensation under the Financial Services Compensation Scheme (FSCS). Further information about compensation scheme arrangements is available at www.fscs.org.uk, by emailing enquiries@fscs.org.uk or by phoning the FSCS on 0800 678 1100 or 0207 741 4100.

Renewing your policy

If **you** pay **your** premium by instalment, when **your** policy is due for renewal, **we** will renew it for **you** automatically. This saves **you** the worry of remembering to contact **us** prior to the renewal date. **We** will write to **you** before the policy expires with full details of **your** next year's premium and any changes to policy conditions.

If **you** do not want to renew this policy, please let **us** know. Should **we** decide that **we** will not renew **your** policy, **we** will notify **you** in writing prior to the renewal date.

The automatic renewal process only applies if the premium is paid by the Allianz Premium Instalment Plan.

Adequate home insurance cover is essential in protecting **your** property and the **contents** inside it against many unexpected events such as flood, subsidence, theft or **storm**. Individual insurers will form their own view on what is an acceptable risk to them and this may affect **your** ability to obtain cover with another insurer. Please make sure that **you** have arranged adequate alternative insurance before allowing this policy to lapse.

What to do if you are not satisfied

We will make every effort to give **you** an excellent service. However, if **our** service falls below the standard **you** expect, and **you** wish to make a complaint, please follow the procedure on page 23 of this policy.

Protecting your home and belongings

We offer the following hints on precautions worth taking.

Fire Prevention

Check **your** electrical equipment regularly. Make sure that **you** use the correct fuses and do not overload the circuits. Ask for the help of a qualified electrician if **you** are in doubt.

If **you** leave **your home** for more than 24 hours, switch off the electricity at the mains or unplug all appliances. (**You** may need to keep the refrigerator, freezer or heating systems in use). Always unplug non-essential electrical appliances before **you** go to bed at night, especially electric blankets and television sets.

Fires often happen in kitchens. **You** can put out chip pan fires by shutting out the air. Cover the pan with a lid or thick damp cloth. Do not use water. Remember, safety first. Call the emergency services.

Flood

- 1 Gather essential items together either upstairs or in a high place.
- 2 Fill jugs and saucepans with clean water.
- 3 Move **your** family and pets upstairs, or to a high place with a means of escape.
- 4 Turn off gas, electricity and water supplies when floodwater is about to enter **your home** if safe to do so.
- 5 DO NOT touch sources of electricity when standing in floodwater.
- 6 Keep listening to local radio for updates or call Floodline 0845 988 1188.
- 7 Floodwater can rise quickly, stay calm and reassure those around **you**. Call 999 if **you** are in danger.
- 8 Avoid walking or driving through floodwater.
- 9 Keep children and vulnerable people away from floodwater.
- 10 Wash **your** hands thoroughly if **you** touch floodwater.

Water Damage

- 1 Lag exposed water pipes and tanks in the roof area.
- 2 Turn off the water and drain the system if **you** leave **your home** without heat in winter.
- 3 If pipes freeze despite **your** precautions, thaw them out slowly using hot water bottles. Never use a blowlamp.

If **you** would like advice on anything mentioned above or anything affecting this policy, contact **your** insurance broker, who will be happy to assist **you**.

Security

- 1 Never leave keys in the lock (other than for ease of exit at night), hanging inside a letterbox or hidden outside the **home**.
- 2 When upstairs, avoid leaving doors and windows open downstairs.
- 3 Don't leave small **valuables**, money, handbags, wallets and purses where they can be easily seen from outside.
- 4 If **you** go out in the evening, leave a light on in a living room or bedroom. Leaving an outside or landing light on is not sufficient, the home must look lived in.
- 5 Never leave ladders or tools lying around, these will encourage rather than deter an opportunist thief.
- 6 Close and lock all garages, sheds and other outbuildings.
- 7 Join a local Neighbourhood Watch Scheme or consider starting one in **your** area.
- 8 Don't let strangers into **your home** unless they give **you** official proof of their identity. If **you** are suspicious, telephone the company concerned for verification while **your** caller waits outside behind the locked front door.
- 9 Remember to cancel milk and newspaper deliveries before **you** go on holiday and ask a trusted neighbour to keep an eye on **your home** and leave a spare key with them.
- 10 Keep a record of **your** possessions, for example, the serial numbers of televisions and video recorders, and use a security marker which writes in invisible ink to mark **your** postcode and house number (this ink can only be read under ultraviolet light). Retain copies in a safe location.
- 11 Keep receipts, obtain valuations and take photographs of jewellery and any other valuable or unusual items. Photographs are an enormous help to the police for identifying stolen property and returning it to the rightful owner.

Safes

Safes offer an additional level of protection for **your valuables** against thieves. A safe should be carefully chosen taking into consideration the value of the items intended to be locked within, where it is to be located within **your** property and any future purchases of **valuables** that **you** may make. Safes are normally awarded a 'cash rating' which indicates the maximum level of cash that should be held within. The cash rating will be based on the safe's ability to withstand fire and attack. For most safes, the awarded cash rating can be multiplied by ten in order to find the equivalent **valuables** limit e.g. Cash rating £1,000 = **Valuables** rating £10,000. A safe supplier will be able to advise **you** on the type of safe that is best for **your** needs.

Homecall – 24-hour emergency service and legal helplines

Emergency helpline

Unfortunately, emergencies happen when **you** least expect them. But with **our** emergency helpline service help is only a phone call away, 24 hours a day, 365 days a year.

The service

Just consider some domestic emergencies which may arise. **We** can provide immediate help in circumstances such as:

- plumbing or drainage problems likely to cause flooding;
- failure of **your** gas or electricity supply;
- damage to **your** roof where damage to the inside of **your home** is likely;
- damage to **your home** making it insecure or unsafe; or
- leaking water or oil from **your** central heating system.

What to do

When an emergency happens, ring **us** as soon as reasonably possible on **0845 073 1114**.

You should tell the emergency services about major emergencies which may result in serious damage or injury to people. You must always report gas leaks to the gas authority.

What we will do

We will tell a qualified repairer to call at the first opportunity to carry out repairs. The qualified repairer will contact **you** to confirm what the call-out charge and hourly labour costs are. **You** will have to pay the total cost. However, **we** constantly monitor the service making sure charges are kept as low as possible.

The nature of the emergency may well be covered by **your** policy, so **you** may be able to claim for the costs.

Lawphone

Your policy includes access to Lawphone to give advice, 24 hours a day, 365 days a year, on any personal legal matter. The advice **you** get from Lawphone will always be according to the laws of Great Britain and Northern Ireland. **We** may record the calls for **your** and **our** mutual protection and **our** training purposes.

Lawphone: 0870 241 4140

When **you** call Lawphone, quote the policy reference 36512. **You** will then be asked for a brief summary of the problem and these details will be passed on to an adviser who will return **your** call.

Glass Replacement

(This service is only available if **you** have taken out Buildings cover.)

Broken glass is dangerous and in some circumstances can be a major security risk. **Allianz** have negotiated a special arrangement for **you** with one of Britain's leading glass replacement specialists, Solaglas.

Solaglas will bill **us** direct – **you** pay nothing except the policy excess.

The service is available 24 hours a day, 365 days a year.. Telephone FREE 0800 474747.

How we settle claims

(See also General Exclusions and General Conditions)

The amount **we** will pay for loss of or damage to the **buildings** will be the cost of the following:

- a** Repairing or replacing the damaged items without taking off an amount for wear and tear or loss of value, as long as:
 - the sum insured will cover the full rebuilding cost; and
 - the repair or replacement is carried out immediately.

If the sum insured will not cover the full rebuilding cost, the amount **we** will pay will be the cost of repairs or replacement less an amount for wear and tear.

If the repair or replacement is not carried out, the amount **we** will pay will be the loss of value resulting from the loss or damage but not more than what it would have cost to repair or replace the item if this had been carried out straight away.

- b** Demolishing, removing debris, shoring up or propping up parts of the **buildings**.
- c** Architects', surveyors', legal and other fees for estimates, plans, specifications, quantities, tenders and supervision.

We will not pay more than the fees authorised under the scales of the Royal Institute of British Architects, the schedule of professional charges of the Royal Institution of Chartered Surveyors and the Law Society.

We will not pay any fees for preparing a claim.

- d** Any extra costs to keep to building or other regulations or within the by-laws of any local authority but only for damaged parts of the **buildings**.

This does not include any extra costs **you** pay after notice has been served on **you**.

We reserve the right to take ownership of an item or items once **we** have paid a claim following their loss or damage beyond repair, but no item or items may be abandoned to **us**.

Any permanent repairs made by **our** approved suppliers are guaranteed.

Limit of Liability

We will not pay more than £2,000,000 under Events 15a and 15b of this section for all compensation and claimant's costs and expenses for any one claim or series of claims arising out of any one Event.

Selling your home

When **you** sell **your** interest in the **buildings**, the person who completes the purchase will be covered by the insurance in this section. This benefit will apply up to the date of completion as long as they have no other insurance in force.

Matching sets and suites

We will treat an individual item of a matching set of articles or suite of furniture or sanitary fittings or other bathroom fittings as a single item.

We will pay **you** for damaged items but not for the other pieces of the set or suite which are not damaged.

For example, if one kitchen cupboard is damaged **we** will replace or repair the damaged cupboard only, not the whole kitchen.

Sum insured

The sum insured chosen by **you** must be enough to pay for the full cost of rebuilding and take account of the expenses and fees mentioned in b, c and d on page 8.

We will not pay more than the sum insured for loss or damage to the **buildings** by any of the Events 1 to 13.

Index linking

We will change the sum insured each month by the percentage change in the House Rebuilding Cost Index published by the Building Cost Information Service of the Royal Institution of Chartered Surveyors (or some other suitable index **we** decide upon).

We will not charge extra premiums on any index linking adjustments during the period of insurance. **We** will work out the renewal premium on the sum insured which applies on the first day of the renewal month.

If **you** claim for loss or damage, **we** will continue to make the monthly index linking adjustments between the date of the loss or damage and the date when the loss or damage is repaired or replaced for up to one year. **You** must take all reasonable steps to have the repair or replacement carried out straight away.
