Flux Rescue Horse Trailer Breakdown Service

If your horse trailer cannot be used as a result of a breakdown, which occurs during the course of a journey and more than half a mile from your home, we will provide the services shown on the schedule, **as long as the appropriate premium has been paid.** Details of each service are shown below.

We will provide cover for breakdowns which occur during the period of insurance and within the territorial limits.

Roadside Assistance

If your horse trailer breaks down, we will arrange service at the scene of the breakdown and will arrange and pay call-out fees and labour charges needed to repair it. If it cannot be repaired at the scene of the breakdown, we will arrange and pay the cost of taking it and the horse(s) from the scene of the breakdown to the nearest available repairer.

This benefit is designed to cover small emergency repairs. It will not cover the cost of any parts or materials. Any work, which is not carried out at the roadside, is not covered. It is provided under a separate contract between yourself and the repairer.

If your vehicle breaks down, you should call your relevant breakdown provider. If they cannot repair it at the scene of the breakdown, we will arrange and pay the cost of taking your horse trailer and the horse(s) from the scene of the breakdown to the nearest available repairer or place of safety.

Recovery

If your horse trailer breaks down and cannot be repaired at the scene of the breakdown or the nearest available repairer, we will arrange and pay the cost of taking it and the horse(s) from the scene of the breakdown to any one place you choose.

If your vehicle breaks down, you should call your relevant breakdown provider. If they cannot repair it at the scene of the breakdown or the nearest available repairer, we will arrange and pay the cost of taking your horse trailer and the horse(s) from the scene of the breakdown to any one place you choose.

Alternative Travel or Overnight Hotel Accommodation

This benefit only applies if your horse trailer breaks down or your vehicle breaks down whilst your horse trailer is attached and:

- they are more than 50 miles from your home;
- they cannot be repaired at the scene of the breakdown;
- they cannot be repaired at the nearest available repairer during the same day;
- your horse trailer is not taken to any one place you choose.

We will refund the cost of alternative travel arrangements or necessary emergency overnight accommodation for the horse(s), you and up to 5 passengers.

The most we will pay will be up to £250 for:

- alternative road, rail travel or horse trailer hire to allow you and you party to reach your destination and return; or
- one night's hotel accommodation for you and up to 5 passengers, including stabling costs for the horse(s) (the amount we will refund will only be for the rooms. We will not pay any amount for meals or drinks).

Before you arrange alternative travel you must call the Rescue Control Centre for their agreement. We will only refund amounts covered by this insurance if we receive valid invoices and receipts.

Message Service

On request we will pass a message on to your family or colleagues to let them know about your situation.
