The contract of insurance

This policy has been arranged by Adrian Flux Insurance Services on behalf of Certain Underwriters at Lloyd's, One Lime Street, London EC3M 7HA, who are authorised by the Prudential Regulation Authority and regulated by the Financial Conduct Authority and the Prudential Regulation Authority. This can be checked on the Financial Services Register by visiting the FCA's website at www.fca.org.uk or by contacting the FCA on 0800 111 6768.

This is to certify that the insurer in consideration of the premium specified on the schedule agrees to indemnify the insured in respect of cover detailed within this policy.

In deciding to accept this insurance and in setting the terms, we have relied on the information you have given us. You must take care when answering any questions we ask by ensuring that any information provided is accurate and complete.

The Executive Home Insurance Policy wording, schedule and any endorsements are all part of this contract and should be read together to avoid misunderstanding. They show which sections of the policy are in force and contain details of the cover. All the documents should be read carefully, paying particular attention to the General Exclusions and General Conditions which apply to the whole policy.

This policy sets out all the circumstances in which an insured person can make a claim. It is not a maintenance contract and does not protect against every loss.

This contract is written in English and all communications about it will be in English. Unless we have agreed otherwise, the law applying to this contract will be English law.

Several Liability Notice

The subscribing insurers' obligations under contracts of insurance to which they subscribe are several and not joint and are limited solely to the extent of their individual subscriptions. The subscribing insurers are not responsible for the subscription of any co-subscribing insurer who for any reason does not satisfy all or part of its obligations.

The Contracts (Rights of Third Parties) Act 1999 Clarification Clause

A person who is not a party to this insurance has no right under the Contracts (Rights of Third Parties) Act 1999 to enforce any term of this insurance. However, this does not affect any other rights they may have.

The Data Protection Act 1998

Please note that any information provided to us will be processed by us and our agents in compliance with the provisions of the Data Protection Act 1998, for the purpose of providing insurance and handling claims, if any, which may necessitate providing such information to third parties. We may also send the information in confidence for process to other companies acting on their instructions including those located outside the European Economic Area.

Financial Services Compensation Scheme

We are members of the Financial Services Compensation Scheme (FSCS). You may be entitled to compensation from the scheme if we are unable to meet our liabilities under this insurance. This depends on the type of business and the circumstances of the claim. A claim is protected for 90%, without any upper limit. Further information about the compensation scheme arrangements is available from FSCS. Information can be obtained on request or by visiting the FSCS website at www.fscs.org.uk.

General conditions

The following conditions apply to the whole of **your** insurance.

1 Reasonable care

You must keep **your** property in a good condition and state of repair, and take all reasonable care to prevent loss or damage, accident, bodily injury or legal proceedings. If legal proceedings are under way, **you** must tell **us** immediately and take all reasonable steps to reduce the costs of these proceedings.

2 Telling us about a change

You must tell **us** as soon as reasonably possible about any change in the information given to **us** which is relevant to this insurance. If **you** do not, **your** insurance may not be valid or may not cover **you** fully. If **you** are not sure whether any information is relevant, **you** should tell **us** anyway.

For example, **you** must tell **us** about:

- changes to the type and level of security at **your home**, particularly if there are problems with automatic alarm systems and the security company or the Police withdraw their response to alarm signals;
- a change of address or adding a new address whether permanent or not;
- if **you** are going to leave **your home unfurnished** for more than 30 days or **unoccupied** for more than 60 days;
- any alteration or building work at **your home**, particularly if **you** have to sign a contract or where using heat is involved;
- moving **contents, fine art and antiques** and **valuables** between **your** homes or to any other places such as an auction house, dealer, gallery, museum, restorer or commercial storage facility;
- any new items or revised valuation which increases the value of **your contents, fine art and antiques** and **valuables**;
- any alteration, extension or improvement to the **buildings** which increases the rebuilding cost;
- if any person covered under this insurance has received a Police caution for or been convicted of or charged with an offence (other than motoring);

We have the right to alter the premium, change any terms and conditions or cancel this insurance when **you** tell **us** about a change.

3 Claims

When there is a claim or possible claim, **you** must tell **us** as soon as possible.

For loss or damage claims:

- **We** may require **you** to provide **us** with documentation to help prove **your** claim, for example: purchase receipts, invoices, bank or credit card statements, instruction booklets, photographs, valuations, utility bills, pre-purchase surveys, plans and deeds of **your** property. **We** will only ask for information relevant to **your** claim and **we** will pay for any reasonable expenses **you** incur in providing **us** with the above information.

- **You** must tell the Police immediately if **you** have suffered a theft, attempted theft or malicious damage or vandalism, and obtain an incident number.
- **You** must take all reasonable steps to recover any lost or stolen property and to prevent any further loss or damage.

For liability claims:

- **you** must send **us** any statement of claim, legal process or other communication (without answering them) as soon as **you** receive it.
- do not discuss, negotiate, pay, settle, admit or deny any claim without **our** written permission.

4 Our rights after a claim

We may enter any building where loss or damage has happened, take possession of the insured damaged property and deal with any salvage in a reasonable manner. However, **you** must not abandon any property.

Before or after **we** pay **your** claim under this insurance, **we** may take over, carry out, defend or settle any claim in **your** name.

We can also take proceedings, at **our** own expense and for **our** own benefit, to recover any payment **we** have made under this insurance.

5 Fraudulent claims

You must not act in a fraudulent way. If **you** or anyone acting for **you**:

- makes a claim under the policy, knowing the claim is false or exaggerated in any way;
- makes a statement to support a claim, knowing the statement is false;
- submits a document in support of a claim knowing the document to be forged or false in any way;
- makes a claim for any loss or damage which **you** knew about or deliberately caused

we:

- will not pay the claim and all cover under this policy will cease;
- will not pay any other claim which has been or will be made under the policy;
- may at **our** option declare the policy void;
- will be entitled to recover from **you**, the amount of any claim **we** have already paid under the policy since the last renewal date;
- will not return any premiums **you** have paid; and
- may inform the Police.

6 Disagreement over amount of claim

If **we** accept **your** claim, but disagree over the amount due to **you**, the matter will be passed to an arbitrator who both **you** and **we** agree to.

When this happens, the arbitrator must make a decision before **you** can start proceedings against **us**.

7 Cancellation

You may cancel the insurance by sending **us** written notice and returning the insurance documents within 14 days of it starting or (if later) within 14 days of **you** receiving the insurance documents. **We** will return any premium **you** have paid providing **you** have not made a claim.

You may cancel this insurance after the first 14 days by giving **us** notice in writing. **We** will refund the part of **your** premium which applies to the remaining **period of insurance** providing **you** have not made a claim and subject to a minimum charge of £25 plus IPT.

We can cancel this insurance by giving **you** 14 days notice in writing where there is a valid reason for doing so. **We** will refund the part of **your** premium which applies to the remaining **period of insurance** providing you have not made a claim. **We** will send our cancellation letter to the address shown on the **schedule** and will set out the reason for cancellation in this letter. Valid reasons may include but are not limited to:

- Where **we** have been unable to collect a premium payment. In this case **we** will contact **you** in writing requesting payment within 14 days. If **we** do not receive payment by this date **we** will write to **you** again notifying **you** that payment has not been received and giving **you** 7 days' notice of a final date for payment. This letter will also notify **you** that if payment is not received by this date **your** policy will be cancelled. If payment is not received by that date we will cancel **your** policy with immediate effect and notify **you** in writing that such cancellation has taken place. If **we** have accepted a claim for loss or damage under this insurance, **we** may take any premium instalments **you** owe from the claim payment.
- Where **you** are required in accordance with the terms of this policy to co-operate with **us**, or send **us** information or documentation and **you** fail to do so in a way that materially affects **our** ability to process a claim, or **our** ability to defend **our** interests. In this case **we** may issue a cancellation letter and will cancel **your** policy if **you** fail to co-operate with **us** or provide the required information or documentation by the end of the cancellation notice period.
- Where **we** reasonably suspect fraud.
- Due to the use of threatening or abusive behaviour or language, or intimidation or bullying of staff or suppliers.

8 Other insurance

If, at the time of any loss, damage or liability covered under this insurance, **you** have any other insurance which covers the same loss, damage or liability, **we** will only pay **our** share of the claim, even if the other insurer refuses the claim.

9 Your duty to disclose information

If **we** obtain evidence which suggests that **you** were careless in providing **us** with the information **we** have relied upon in setting the terms of this insurance **we** may:

- refuse to pay any claim or claims, if **your** carelessness causes **us** to provide **you** with insurance cover which **we** would not otherwise have offered; or
- only pay a proportion of the claim if **we** would have charged more for **your** insurance.

If we establish that **you** deliberately or recklessly provided **us** with false information **we** may:

- treat this insurance as if it never existed;
- decline all claims; and
- retain the premium.

General exclusions

The following exclusions apply to the whole of **your** insurance.

This insurance does not cover:

- 12 Loss or damage occurring before cover starts or arising from an event before cover starts.

Sanction Limitation and Exclusion Clause

We will not provide any cover or be liable to pay any claim or provide any benefit under this insurance if the provision of such cover, payment of such claim or provision of such benefit would expose **us** to any sanction, prohibition or restriction under United Nations resolutions or the trade or economic sanctions, laws or regulations of the European Union, United Kingdom or United States of America.

This means **we** will not provide any cover for Sanctioned Designated Nationals i.e. individuals or entities subject to trade or economic sanctions as per the laws and regulations of the European Union, United Kingdom or United States of America.

We will not provide any cover in respect of any risk or exposure located in, or arising from, or in connection with a country which is subject to sanctions, by either the United Nations, European Union, United Kingdom or United States of America.

Section one: Buildings

How we will settle your claim

Buildings

We will decide whether to pay the cost of repairing or replacing the lost or damaged part of the **buildings**.

The most **we** will pay in total for **buildings** is the **amount insured**.

We will not pay for extending, refurbishing or improving the **buildings**.

Index linking

The sum insured for **buildings** will be index linked and will be adjusted in line with changes in the House Rebuilding Cost Index produced by the Royal Institution of Chartered Surveyors.

If **you** make a claim, index linking will continue during the period when the repair or rebuilding is being carried out, as long as **you** take reasonable action for the repair or rebuilding to be carried out immediately.

We will not make a charge for index linking during the **period of insurance**. However, each time **your** insurance is renewed, **we** will work out a premium for the adjusted **amount insured**.

Under-insurance

If, at the time of any loss or damage, the **amount insured** for **buildings** is less than 85% of the total cost of rebuilding the whole of the **buildings** in a new condition similar in size, shape and form, **we** will pay a proportion of the total cost of rebuilding. For example, if the **amount insured** only covers two-thirds of the cost of rebuilding **your buildings**, **we** will only pay two-thirds of the claim.

Maintaining the sum insured

After **we** have settled a claim, **we** will maintain the **amount insured** for **buildings**, as long as **you** take any reasonable measures **we** suggest to prevent any further loss or damage. **We** will not charge any extra premium for maintaining the **amount insured** for **buildings**.

The interest of financial institutions

If a building society, bank or other lender is shown in the **schedule** as being interested in the buildings section of this insurance, **we** will treat them as a joint insured. **We** will keep to their usual conditions if **we** have a copy of them.

Their rights, under this insurance, will not be affected by any act or neglect by **you** as long as they give **us** written notice as soon as they realise **your** act or neglect and pay **us** any reasonable extra premium **we** ask for.

Section two: Contents

Section two: Contents

How we will settle your claim

Contents (not including fine art and antiques and valuables)

For any item of **contents** that is lost or damaged **we** will at **our** option –

- replace or repair the item or part as new; or
- pay the cost of replacing or repairing the item or part as new; or
- if **we** can repair or replace the item or part but agree to make a cash payment instead it will not be more than the amount it would have cost **us** to replace or repair the item using **our** own suppliers; or
- if no equivalent part or replacement item is available, pay the full cost of the item without any deduction, providing the sum insured is adequate.

Unless otherwise shown in the **schedule**, the most **we** will pay for the following is shown below:

Outdoor items	£5,000
Business contents	£10,000
Mobile phones, pagers and portable computer equipment	£3,000
Pedal cycles	£3,000
Saddles and tack	£1,000
Gold, silver and plated items	£5,000
Jewellery, watches and furs	£5,000

These limits do not increase the **amount insured** for **contents** or the more specific **amounts insured** shown in the **schedule**. The most **we** will pay in total for **contents** is the **amounts insured**.

Fine art and antiques and valuables (whether included in the overall amount insured for contents or more specifically insured)

Items not individually listed in the schedule

We may repair or replace the items or pay the market value of these items immediately before the loss happened.

The most **we** will pay for any one item of **fine art and antiques** is £15,000.

The most **we** will pay for any one item of **valuables** is £5,000.

Items individually listed in the schedule

We may repair or replace the items or pay the **amounts insured** as shown in the **schedule**.

Loss in value

If **we** choose to repair the item, **we** will pay the cost of restoring it plus any loss in value (up to the amounts listed above).

Pair or sets

If an item, which forms part of a pair or set, is lost or damaged, **we** will pay:

- the cost of restoring the item to the condition it was in immediately before the damage;
- the cost of replacing the item; or
- the cost of making up the difference between the market value of the pair or set immediately before or after the loss, whichever is less.

However, if **you** give **us** the undamaged parts of the pair or set, **we** will deal with the claim as if the whole pair or set had been lost or damaged.

Index linking

The **amounts insured** for **contents** (but not **fine art and antiques** and **valuables**) are linked to the Consumer Durables Household Goods section of the Retail Price Index and will change each month. **We** will not change **your** premium each month but **we** will work out each renewal premium on the new **amounts insured**.

Under-insurance

If, at the time of any loss or damage, the **amount insured** is less than 85% of the total cost of replacing **your contents**, **we** will only pay a proportion of the claim. For example, if the **amount insured** only covers two-thirds of the cost of replacing **your contents**, **we** will only pay two-thirds of the claim.

Maintaining the amount insured

We will not reduce the **amount insured** if **we** pay a claim as long as **you** take any reasonable measures **we** suggest to prevent further loss or damage.

Protecting your property

It is important that **you** take all reasonable measures to avoid loss or damage from **your home** by improving security. By making access to **your home** difficult, thieves will be put off.

For **you** to get **our** home protection and home alarm protection premium reductions, **you** must fit the security devices and the intruder alarm to the quality shown below. (Intruder alarms and locking devices on doors and windows do not always reduce the premium, as these may be a condition of providing **you** with insurance.)

We may insist that **you** keep valuables in a safe.

Doors

On all doors into **your buildings**, **you** should fit a five-lever mortise deadlock to British Standard 3621, or equivalent, or multi-point locking on upvc doors.

If **you** have french windows or double-sliding patio doors, **you** should, where possible, fit mortise security bolts or a key-operated lock to the top and bottom of each opening part of the door.

If **you** have aluminium framed sliding or patio doors, **you** should, where possible, fit detachable key-operated runner locks.

Key-operated security bolts fitted to the top and bottom of all doors into the property will give **you** greater security

Windows

All opening sections of basement, ground floor or easily accessible windows without using ladders should be fitted with key-operated locks.

If **you** need any help or advice on security for **your home**, contact a member of the Master Locksmith Association.

Intruder alarm

If **you** plan to get a quote for an intruder alarm, **you** should check that the installer is a registered member of the National Security Inspectorate.

If **you** need any help or advice with intruder alarms, contact the National Security Inspectorate.

Helpful hints

We recommend that **you** take simple precautions for **your** own safety to prevent accidents and reduce the likelihood of loss or damage. This could avoid distress and inconvenience, as well as financial loss.

Fire prevention

Do

- Check **your** electrical equipment regularly, make certain the correct fuses are used and do not overload the circuits. Follow the maker's instructions, particularly for electric blankets. Hire a competent electrician if **you** are in doubt.
- Always unplug non-essential appliances before **you** go to bed at night, especially electric blankets.
- Be careful with cigarette ends, ashtrays and hot irons.
- Install a suitable fire extinguisher. One should be placed in the kitchen.
- Make sure that all open fires are properly guarded, even if they appear to be out, especially at night.
- Have **your** chimney swept and flues regularly checked at least once a year (if **you** use open fires).

Don't

- Don't smoke in bed.
- Don't move or fill oil heaters when they are alight.
- Don't let children play with matches or fire.
- Fires often occur in kitchens. Don't leave a pan of fat unattended on the cooker.

Water damage

- Insulate exposed water pipes and tanks in the roof area.
- Turn off the water supply and drain out the system if **you** leave the property empty in the winter months. Or, leave the central heating on throughout the **home** to maintain a constant temperature of 15 degrees centigrade and consider leaving the loft access open so that warm air can move into the roof space. This will minimise the possibility of the pipes and tank freezing.
- If, despite **your** precautions, **your** pipes freeze, thaw them out slowly using hot water bottles or hairdryers. Never use a blowlamp or warm air paint stripper gun.

Security

- Make sure **you** have good quality locks (approved to British Standard) fitted to all **your** external doors and all accessible windows.
- Use the door and window protections when **you** leave the **home** unattended, day or night, and remove the keys from the locks (including the garage).
- Do not leave keys under the mat or inside the letterbox, or anywhere else they can be found easily.
- Leave a light on, on a timer, in a room other than the hall when **you** are out in the evening or overnight.
- Do not leave large amounts of **money** at **home**.
- Do not leave valuable property in unattended vehicles.
- Photograph **your valuables** and keep copies of valuations and receipts. These are extremely helpful in the event of theft or loss, not only to **us** but also to the Police.
- If **you** doubt the effectiveness of **your** existing door or window locks or bolts, please see the main security section.

When you go away on holiday

- Tell **your** local Neighbourhood Watch about **your** holiday.
- Stop newspaper and milk deliveries; do not advertise **your** absence.
- Place any **valuables** which are not being carried or worn in safe custody with a bank or other suitable deposit.
- Make certain that all doors and windows are closed and locked. If **you** have an alarm, make sure this is switched on.
- Leave **your** key with a trusted neighbour and ask them to look in and inspect **your home** occasionally.
