### IF YOU NEED TO MAKE A CLAIM

If you are unfortunate enough to suffer loss or damage you should follow these procedures:

Check that the loss or damage is covered. Your policy booklet and Schedule of Cover shows what is covered and the conditions which might apply.

Obtain a claim form from your broker and return the completed form to your broker. If you have any queries relating to the progress of your claim you should contact the loss adjuster or your broker.

You can arrange for emergency repairs up to **£250** to be carried out on a without admission of liability basis to prevent further damage occurring. Keep these bills as these could form part of your claim if liability is admitted.

When repairs are not immediately necessary you should obtain two estimates for repair or replacement, however do not delay in forwarding your claim form to your broker informing them that you are obtaining estimates. Once your estimate is approved the work can be carried out and you should send the final bill to the Loss Adjuster. We will then settle your claim in accordance with the terms of the Policy.

#### 1)

The Insured shall give to the Insurer immediate notice in writing, with full particulars, of the happening of any occurrence likely to give rise to a claim under this Insurance; of the receipt by the Insured of notice of any claim; and of the institution of any proceedings against the Insured. In the event of loss or damage by theft, attempted theft, malicious damage, violent disorder, riots or civil commotion or the disappearance of valuable items, the Police must be immediately notified.

**Failure to notify the Insurer of a claim within 90 days of any occurrence will void the claim, however in respect of Section Four (Legal Liability to the Public) notification must be within 30 days.**

The Insured shall not admit liability for nor offer to agree to settle any claim without the written consent of the Insurer, who shall be entitled to take over and conduct in the name of the Insured the defence of any claim, and to prosecute in the Insured's name, for the benefit of the Insurer, any claim for indemnity or damages or otherwise against any third party, and shall have full discretion in the conduct of any negotiations and proceedings and the settlements of any claim. The Insured shall give to the Insurer such information and assistance as the Insurer may reasonably require.

#### 3)

If the Insured shall make any claims knowing the same to be false or fraudulent, as regards amount or otherwise, this Insurance shall become void and all claims hereunder shall be forfeited.

### **Appointment of Arbitrators in the Event of Disagreement**

**1)**

If the parties fail to come to an agreement over the amount of indemnity within a period of 40 days from receipt of a claim notification, each party will appoint an arbitrator, whose acceptance must be in writing.

**2)**

If one of the parties fails to appoint an arbitrator, this party is obliged to do so within 8 days from the date on which the other party so demands. If nevertheless, this party fails to appoint an arbitrator in the said period, it is understood that this party accepts the decision rendered by the arbitrator appointed by the other party, and that such decision is binding.

**3)**

In the case that the two arbitrators come to an agreement, their assessment will be reflected in a joint document in which are stated the causes of the loss or damage, the valuation of the damage, other circumstances affecting the determination of the indemnity and the proposal of the amount of the indemnity.

**4)**

When no such agreement is reached between the arbitrators, both parties will appoint a third arbitrator of mutual choice or if they cannot agree on the third, this arbitrator will be appointed by a Court of Law. In this case, the arbitrators' decision will be rendered in the period agreed by the parties or, failing this, within a period of 30 days from the appointment of the third arbitrator.

**5)**

The decision of the arbitrators, by unanimity or majority, will be notified to the parties in an immediate and indubitable way and will be binding to both parties unless legal action to declare the decision void is taken by either of the parties within a period of 30 days for the Insurer and 180 days for the Insured, from the date of notification. If this action is not initiated in the periods stipulated, the arbitrators' decision will be deemed irrefutable.

**6)**

Each party will pay the fees of their arbitrator. The Insurer will be responsible for 50% (fifty percent) and the Insured for the remaining 50% (fifty percent) of the fees of the third arbitrator as well as the rest of the expenses, including those of clearing away debris and those of an expert arbitrator. However, if either of the parties has made adjustment necessary, through insisting on an evaluation of the damages that were obviously disproportionate, the responsibility of payment would fall upon that party alone.
