FRAUD PREVENTION

Fraudulent claims are a serious problem for insurers and any costs arising from such activity are inevitably passed on to honest policyholders. In order to protect your interests and the interests of the vast majority of our policyholders, we fully investigate all claims, and where fraud is detected we report to the authorities under the Proceeds of Crime Act (POCA)

Insurers pass information to the Claims and Underwriting Exchange Register, run by Insurance Database Services Ltd (IDS Ltd) and the Motor Insurance Anti-Fraud and Theft Register, run by the Association of British Insurers (ABI). The aim is to help insurers to check the information provided and also to prevent fraudulent claims. When your request for insurance is dealt with, the registers will be searched. Under the conditions of your policy, the insurer must be told about any incident (such as an accident or theft) that may or may not give rise to a claim. In the event of a claim the information you supply together with any other information relating to the claim, will be put on the register and made available to participants. It is our practice to co-operate fully with the Police authorities in the detection and prosecution of those involved in fraud.

If false or inaccurate information is provided and fraud is identified, details will be passed to fraud prevention agencies. Law enforcement agencies may access and use this information. We and other organisations may also access and use this information to prevent fraud and money laundering, for example, when:

- Checking details on applications for credit and credit related or other facilities
- Managing credit and credit related accounts or facilities & recovering debt
- Checking details on proposals and claims for all types of insurance
- Checking details of job applicants and employees

Please contact us at **01306 747367** if you want to receive details of the relevant fraud prevention agencies. We and other organisations may access and use from other countries the information recorded by fraud prevention agencies.

You may report information confidentially in respect of bogus/fraudulent claims to the **ABI Cheatline** on **0800 328 2550**. The Cheatline is manned between 9:00am and 5:00pm. An answer phone service is in operation at all other times. All information can be reported anonymously and will be treated in the strictest confidence. The Cheatline is manned by experienced fraud investigators who may share the information with other interested parties such as the insurer concerned (if known). Savings obtained from information provided to the Cheatline will help to reduce insurance premiums.

More information can be provided if requested.

MOTOR INSURANCE DATABASE

Details of your insurance policy will be supplied to the Motor Insurers' Information Centre which maintains the Motor Insurance Database. This database has been compiled to tackle the problem of uninsured driving and it is accessed by the police to establish if the person driving the vehicle is insured. In the event of an accident being reported Insurers may access the database to establish details of the cover in force at the time.

Notification can also be made by letter, claim form, telephone or fax. Fax notification should be made using the Insurer's fax number **0844 387 3286**.

Any letter, writ or summons must be sent to the Insurer unanswered, immediately it is received. Your entitlement to cover under the Policy could be prejudiced if dispatch of such documents is unreasonably delayed.

You and any other person claiming indemnity must provide the Insurer with all information and assistance necessary to investigate and settle claims made under this Policy.

D4 CONDUCT OF CLAIMS/SUBROGATION

Except with the Insurer's written consent, no admission, offer, promise, payment or indemnity shall be made by you or any person (or on behalf of any person) claiming indemnity under the Policy.

The Insurer shall be entitled to conduct the defence or settlement of any claim and to instruct the solicitors of their choice to act for you in any proceedings. In circumstances where it is considered appropriate to do so the Insurers will be entitled to admit liability on behalf of you or any person claiming indemnity under the Policy. Such admissions may be made prior to or after the commencement of proceedings in relation to any event likely to give rise to a claim under the Policy.

D5 CANCELLATION

You may cancel the Policy in writing at any time providing you return all Certificates of Motor Insurance. Subject to no claim arising in the current period of insurance, the Insurer will give a return of premium for the unexpired portion of the Policy. The Insurer or its authorised agent may cancel the Policy by giving seven days notice in writing to your last known address. Subject to no claim arising within the current period of insurance, the Insurer will give a return of premium for the unexpired portion of the Policy.

If you find that the policy does not suit your requirements and we have not provided you with all necessary information before you made your decision to purchase this policy, you may, within 14 days of receiving the full policy documentation, cancel your cover, in writing, returning all policy documentation. This right does not apply if you have made an adjustment to your policy. The insurer will give a full return of premium subject to a small time on risk charge unless the vehicle covered under the Policy is deemed to be a total loss by the insurer when there is no return of premium

D5 CANCELLATION CONTINUED

If the vehicle covered under this Policy is deemed to be a total loss and is not replaced immediately, the Policy will be cancelled and there will be no return of premium for the unexpired portion of the Policy. If the vehicle is immediately replaced, no return of premium will be given and an additional premium may be required for the remaining portion of the Policy.

Should the vehicle covered under this policy be sold and not replaced immediately, you must notify the Insurer in writing, returning the Certificate of Motor Insurance, who will cancel the Policy. Provided you have not made a claim or been involved in an accident or loss, regardless of blame, in the current period of insurance, the Insurer will give a return of premium for the unexpired portion of the Policy.

D6 CONTRIBUTION

If at any time a claim arises under this Policy where there is another insurance policy covering the same loss, damage or liability, the Insurer will only pay its proportionate amount of the claim.

D7 AVOIDANCE OF CERTAIN TERMS AND RIGHTS OF RECOVERY

If the Insurer is obliged to deal with a claim solely because the compulsory insurance in any country in which the Policy applies provides a level of cover beyond that normally covered by the Policy, the Insurer reserves the right to recover from you, or the person who incurred the liability, the amount paid.

D8 FRAUDULENT CLAIMS

Should you make any claim, or a statement in connection with any claim, knowing it to be false or fraudulent in any respect, the Policy shall become null and void and all claims shall be forfeited.

It is the Insurer's practice to co-operate fully with the Police authorities in the detection and prosecution of those involved in fraud and to report all such matters under the Proceeds of Crime Act.

The Insurer will not be liable under this endorsement where the insured vehicle specified in the current Schedule, which forms part of this Policy, has been disposed of or has become the subject of a total loss.

- a) for loss or damage to the car you are driving
