Notice of Data Protection

Please read this carefully as it contains important information about the details you have given or will give us. You should show this notice to anyone covered by this insurance.

In order that we can assess the terms of an insurance contract, or deal with any claims that may arise, we may need to share information which is classed as 'sensitive' under the Data Protection Act 1998. We may also pass this information to other organisations that we have carefully chosen as well as other companies within our group.

Insurers pass information to the Claims Underwriting and Exchange Register and the Motor Insurance Anti-Fraud and Theft Register run by Insurance Database Services Limited (IDSL). This helps insurers check information and prevent fraudulent claims. When we deal with your request for insurance we may search these registers.

If you make a claim, we may need to release information to another person or organisation involved in that claim.

Under the conditions of your policy, you must tell us about any incident (such as an accident or theft) which may or may not result in a claim. When you tell us about an incident, we will pass information relating to it to IDSL.

We will share information about you with other organisations and public organisations including the police for the purpose of, preventing or detecting fraud, tracing debtors or beneficiaries and recovering debt.

If you have used our credit facility to pay your premiums, we may share your information with credit-reference agencies and other companies for use in credit decisions, to prevent fraud and bad debt situations.

We will only process the details you have provided in line with the Data Protection Act 1998 and other laws which may apply. Your information may also be processed outside of the European area. In all instances we make sure that your information is adequately protected.

Motor Insurance Database

Information about your insurance policy will be added to the Motor Insurance Database (MID) which is managed by the Motor Insurers' Bureau (MIB). Certain government or authorised organisations including the police, the DVLA, the DVANI, the Insurance Fraud Bureau and other organisations allowed by law may search the MID and the information stored on it.

It is essential that your correct registration number is logged with the MID. If your registration number it is not shown correctly on the MID, you are at risk of having your vehicle seized by the police. You can check that your correct registration number details are shown on the MID at www.askmid.com.

Repairs

If your vehicle is damaged in any way covered by this insurance, contact us immediately for advice and help about repairs.

If your vehicle cannot be driven safely, you may authorise reasonable and necessary repairs without previously getting our permission, as long as you tell us immediately. We may use recycled or non-original parts and equipment when repairing your vehicle.

Courtesy car for private car policies

If you have a claim under this insurance where your private motor car is repairable we will provide you with a class "A" courtesy car as long as you use one of our approved repairers. Subject to the application of the excess as specified in the policy schedule we will extend to cover the courtesy vehicle under this insurance. The courtesy car will be provided from the time your motor vehicle is collected for repair until the time it is returned to you.

If your vehicle is not repairable

If the cost of repairing your vehicle is greater than the market value of your vehicle, we will pay you a cash amount (this will not exceed vehicle value shown in your policy schedule) as compensation. Once you accept our offer, your vehicle will then become our property.

We may also ask you to send us your vehicle registration document (V5c), valid MOT certificate, vehicle purchase receipt, all keys and any other relevant documents before we agree settlement.

You should be aware that if we settle your claim as above and you are not the owner of the vehicle we will normally only pay the vehicle's owner the compensation amount. Also if there is any outstanding loan on your vehicle, we may pay the finance company what they are owed first and the balance, if any to yourself. If the outstanding amount owed to the finance company is more than our offer you will be responsible for the outstanding balance.

If your vehicle is leased or on contract hire, in the same way as any outstanding loan on your vehicle we will pay any outstanding monies owed to the leasing or contract-hire company first, with you being responsible for any outstanding balance over and above our offer.

New vehicle Benefit

We can if we choose;

- Takeover, carry out, defend or settle any claim,
- Take proceedings (which we will pay for, and for our own benefit) to recover any payment we have made under this insurance. We will take this action in your name or in the name of anyone else covered by this insurance.
- You, or the person whose name we use, must co-operate with us on any matter which affects this insurance.

Arbitration

If we accept your claim, but disagree with the claim amount, the matter will be passed to an arbitrator who we both agree to. When this happens, the arbitrator must make a decision before you can start proceedings against us.

Our right of recovery or withdrawal

If, under the law of any country which this insurance covers you in, we must settle a claim which we would not otherwise have paid, we may recover this amount from you or from the person who made the claim.

If we refuse to provide cover because you have failed to provide information or provided incorrect information, but we have a legal responsibility to pay a claim under the Road Traffic Acts, we can settle the claim or judgment without affecting our position under this policy. We can recover any payments that we make from you.

If there is more than one claim for property damage arising out of any one cause, we may pay you under section 1 of this policy up to the maximum amount shown in your policy schedule. We will deduct from this amount any amounts we have already paid as compensation. When we pay this amount, we will withdraw from any further action connected with settling these claims. We will cover any legal costs and expenses paid with our permission, up to the time we withdraw from dealing with the claims.

Changes to the information on which your cover is based

You must notify us as soon as possible of any changes which affect your policy and which have occurred either since the cover started or since the last renewal date, such as:

- Any change of vehicle from that shown in your policy schedule,
- Any changes you or anyone else may make to your vehicle which differs from the manufacturer's standard specification (whether the changes are mechanical or cosmetic),

- Details of any accident or loss (whether or not you make a claim) involving your vehicle,
- If any driver suffers from a disability or medical condition that must be revealed to the DVLA, whether the driving licence has been restricted or not,

If you are not sure whether certain facts are relevant, please ask your intermediary or us, if you do not tell us about relevant changes your policy may not be valid or not cover you fully,

We or your intermediary will give you advice on any change in premium and we will send you a new schedule confirming our acceptance to the change.

No claim bonus (NCD)

We will allow an NCD against your renewal premium if no claim has been made or arisen under this policy during the previous period of insurance.

The amount of discount allowed will be in accordance with our scale of NCD at the time of your renewal.

If we have to make a payment which we have not yet been able to recover or which we cannot recover from any other party involved in the incident, a claim will count against your NCD even if you are not at fault. Should this happen your NCD will be reduced at renewal of your policy in accordance with our scale at the time. You cannot transfer your NCD to another person.

Protected No Claims Discount

Where this is available this is subject to an increase in premium and an additional excess (this only applies if shown by endorsement in your schedule where the increase in premium and additional excess will be shown).

There are three options that may be available subject to our agreement-

- a) When you can provide one or two years NCD proof (Applicable to Commercial Vehicle and Taxi Policies Only) or,
- b) When you can provide three years NCD proof,

the NCD will not be prejudiced provided that not more than one claim is made in any one annual period of insurance.

In the event of a single claim being made under this policy in any one annual period of insurance the NCD will NOT be increased at the following renewal date and will only be increased at a subsequent renewal date after a further twelve months claim free period.

In the event of more than one claim in any one annual period of insurance the NCD will be reduced to NIL at the next renewal date.

- c) Available when you can provide a minimum 4 years NCD proof subject to;

The NCD will not be prejudiced provided that no more than two claims are made in any five year period of insurance. If three claims are made in any five year period of insurance we will reduce the NCD to a one year at the following renewal. If more than three claims are made in any five year period of insurance we will reduce the NCD to NIL at the following renewal.

NOTE: Regardless of the (NCD) entitlement and our agreement to protect this discount we reserve the right to increase the premium at renewal to reflect any adverse claims or driving record.

Emergency medical treatment

Payments for emergency medical treatment will not affect your no claim bonus.

- Your vehicle cannot carry more than seven people (excluding the driver).
- You are not carrying the passengers in the course of a business of carrying passengers.
- The total payments you receive for the journey does not provide a profit.

How this policy may be cancelled

- If this insurance does not meet your needs, you may cancel it by sending written notice to us within 14 days of the commencement date of cover.
- If the insurance cover has already commenced, you will be entitled to a refund of the premium paid, subject to a deduction for the time for which you have been covered, calculated as a proportion of the time for which the insurance would have provided cover and for any cost incurred by us. Please note the full annual premium is payable in the event of a claim and no refund will be given.
- This charge will be at least £25 plus insurance premium tax (IPT). The 14-day period applies to new policies and the renewing of existing policies.
- We or your intermediary may cancel this insurance by sending seven days' notice, in writing, to your last known address. We will then refund the part of your premium which applies to the period of insurance which is left to run. We will send this refund to you or your intermediary.
- You may cancel this insurance at any other time by telling us in writing and supplying proof of alternative insurance cover or bill of sale in the event that the vehicle has been sold. If you have not made any claim in the current period of insurance, we will work out the charge for the time you have been covered by your insurance (using our short-period rates shown below) to the date we receive proof of alternative insurance cover or bill of sale in the event that the vehicle has been sold.
- We will then refund to you or your intermediary the amount we owe you.
- If a claim has been made there will be no refund due.

If you have agreed to pay your premium by instalments under our payment plan, the following will apply.

- If you do not pay an instalment when the policy is due for renewal, all cover under this contract will end from that date.
- If you do not pay an instalment at any other time, we may refuse to pay any claim arising from an event which happens on or after that date. If you do not pay a previously unpaid instalment when we ask a second time, we will cancel this contract from the due date of the first unpaid instalment. All cover under this contract will end.
- If you need to pay any extra premium during the period of insurance (other than for any Temporary change, which must be paid in full at the time of the change) it may be spread out over the remaining instalments due for that year.
