# Introduction

This **policy** booklet, along with **your statement of fact**, most recent **schedule**, any **amendment to cover** notice and **your** agreement to pay the premium, forms the contract between **you** and all other **policyholders** and **us**. The contract is based on the information **you** and all other **policyholders** provided to **us** either at commencement of cover or renewal. The **policy** booklet explains in detail the covers, as well as **your** responsibilities and any conditions **you** must comply with.

Please read the entire **policy** booklet and **your schedule** carefully to ensure that **you** and all the other **policyholders** understand them and to ensure that they have been prepared in accordance with the cover **you** and they have requested. If they are not correct, please return them immediately and **we** can make the necessary changes.

**Your policy** booklet details all the covers available when **you** purchase a personal insurance **policy** from **us**. However, not all the covers may be applicable and **your schedule** will show which covers are in force and the amounts insured where appropriate. **You** may request to increase or add elements of cover under this **policy** where required.

If **you** have home and contents insurance with Zurich Private Clients **you** will receive a separate **policy** booklet that will need to be read along with **your** most recent **schedule** and any **amendment to cover** notice.

**You** must inform **us** if any of the information on which this insurance is based changes. Failure to do so may result in **your** insurance no longer being valid and claims not being met. If in doubt about any change please inform **us**. If **your policy** is amended as a result of any change, **we** will be entitled to vary the premium and terms for the rest of the **period of insurance**. **You** should keep a record (including copies of letters) of all information supplied to **us** in connection with this insurance.

If **you** replace **your vehicle** or make changes to the drivers, or how **you** use it, **your** insurance will no longer be valid and claims will not be met until either a cover note or certificate of insurance has been issued. If **you** make any changes to **your vehicle** **your** insurance will not be valid until **we** have agreed to accept them.

At renewal of **your policy**, **you** will be provided with an updated **schedule**. If there have been any changes to the cover provided under **your policy**, **you** will receive either an **amendment to cover** notice or a new **policy** booklet.

## **Your cancellation rights**

If **you** decide that the **policy** does not meet **your** requirements (or any future renewal of the **policy**) please return it to **us** (or **your** insurance intermediary) using the contact details provided on the covering letter within 14 days of receiving it (or for renewals within 14 days of **your policy** renewal date). If no claims have been made **we** will refund the entire premium **you** have paid for the **period of insurance**. After 14 days any return premium will be dealt with as detailed in the 'Cancellation by you' condition of the general policy conditions. No refund will be given if a claim has been paid or is outstanding at the time of cancellation.

### Amount of cover

The amounts payable under this section are shown next to each of the following covers:

- car jacking
- road rage

If multiple **victims** suffer an **accidental death and dismemberment loss** in the same **incident**, **we** will only pay up to a maximum of £100,000 and if the total combined **accidental death and dismemberment losses** exceed £100,000, the sum of £100,000 will be split proportionally based on each applicable **accidental death and dismemberment amount** payable.

### What is covered

Under Motor Legal Protection cover **we** agree to provide cover for **you** or an **insured person** anywhere within the **territorial limits**, unless stated otherwise in **your policy** or unless an exclusion applies as long as:

- any legal proceedings will be dealt with by a court, or other body which **we** agree to, in the **territorial limits** and

# Motor legal protection conditions

The following conditions apply to the motor legal protection cover of **your policy**. Please also refer to the general policy exclusions, general policy conditions and the motor legal protection exclusions.

**You or an insured person must:**

- keep to the terms and conditions of this section of **your policy**
- try to prevent anything happening that may cause a claim
- take reasonable steps to keep any amount **we** have to pay as low as possible
- send everything **we** ask for in writing
- give **us** full details, in writing, of any claim as soon as possible and give **us** any information **we** require

**We** can take over and conduct in **your** or an **insured person's** name, any claim or legal proceedings at any time.

**We** can negotiate any claim on **your** or an **insured person's** behalf.

**You** or an **insured person** are free to choose a **representative** by sending **us** a suitably qualified person's name and address if:

- **we** agree to start court proceedings and it becomes necessary for a lawyer to represent **your** or an **insured person's** interests in those proceedings or
- there is a conflict of interest

**We** may choose not to accept **your** or an **insured person's** choice, but only in exceptional circumstances. If there is a disagreement over the choice of **representative**, in these circumstances **you** may choose another suitably qualified person.

In all circumstances, except those above, **we** are free to choose a **representative**.

Any **representative** will be appointed by **us** to represent **you** or an **insured person** according to **our** standard terms of appointment. The **representative** must co-operate fully with **us** at all times.

**We** will have direct contact with the **representative**.

**You** must co-operate fully with **us** and the **representative** and must keep **us** up to date with the progress of the claim.

**You** must give the **representative** any instructions that **we** require.

**You** or an **insured person** must tell **us** if anyone offers to settle a claim. If **you** or the **insured person** do not accept a reasonable offer to settle a claim, **we** may refuse to pay any further **legal costs**.

# Motor legal protection conditions

**We** may decide to pay **you** or an **insured person** the amount of **damages** that **you** or an **insured person** are claiming, or which is being claimed against **you** or an **insured person**, instead of starting or continuing legal proceedings.

**You** or an **insured person** must tell the **representative** to have **legal costs** taxed, assessed or audited, if **we** ask for this.

**You** or an **insured person** must take every step to recover **legal costs** that **we** have to pay and must pay **us** any **legal costs** that are recovered.

If the **representative** refuses to continue acting for **you** or an **insured person**, or if **you** or an **insured person** dismiss the **representative**, the cover **we** provide will end at once, unless **we** agree to appoint another **representative**.

If **you** or an **insured person** settle a claim or withdraw it without **our** agreement, or do not give suitable instructions to a **representative**, the cover **we** provide will end at once and **we** will be entitled to reclaim any **legal costs** **we** have paid.

If **we** and **you** or an **insured person** disagree about the choice of **representative**, or about the handling of a claim, **we** and **you** or an **insured person** can choose another suitably qualified person to decide the matter.

**We** and **you** or an **insured person** must both agree to the choice of this person in writing. Failing this, **we** will ask the president of a relevant national law society to choose a suitably qualified person. All costs of resolving the disagreement must be paid by the party whose argument is rejected.

**We** may, at **our** discretion, require **you** or an **insured person** to obtain, at **your** expense, an opinion from a lawyer or other suitably qualified person chosen by **you** or an **insured person** and **us**, as to the merits of a claim or proceedings. If the chosen person's opinion indicates that it is more likely than not that **you** will recover **damages** (or obtain any other legal remedy that **we** have agreed to) or make a successful defence, **we** will pay the cost of obtaining the opinion.

This section of the **policy** will be governed by English law.

## Duties after a loss

If an **incident** which may be covered by this **policy** occurs, **you** must perform the following duties for cover to apply:

### Notification

Notify **us** or **your** agent of the **loss or damage** as soon as possible. **You** should also notify the police as soon as possible if the **loss or damage** is caused by theft or attempted theft, accidental loss, malicious persons or vandals and **you** should keep a note of any reference number they give **you**.

**You** must also notify **us** of any impending prosecution, coroner's inquest or fatal accident inquiry involving anyone where cover is provided by this **policy**. No negotiation, admission or refusal of any claim must be entered into without **our** consent.

### Proof of loss

Provide **us** with any property, records, documents, information or evidence that **we** request at **your** own expense and grant **us** free access at all reasonable times to examine **your vehicle**.

### Co-operation

Co-operate with **us** fully in any legal defence by helping **us** to make settlement; to enforce any right of contribution or indemnity against any person or organisation who may be liable to **you**; to attend hearings and trials and to secure and give evidence and obtain the attendance of witnesses.

### Examination under oath

**We** have a right to examine under oath, as often as **we** require, **you** or any **insured person**. **We** may ask **you** or any **insured person** to give **us** a signed description of the circumstances surrounding the loss and to provide **us** with records, documents, information or evidence that **we** request.

## Governing law

English Law applies to the legal expenses section of **your policy**. The rest of **your policy** is governed by the law that applies to where **you** reside within the **United Kingdom**. If there is any disagreement about which law applies, English law will apply. **You** agree to submit to the exclusive jurisdiction of the courts in England and Wales. Unless agreed otherwise, **we** will communicate with **you** in English.

## Insurable interest

**We** will not pay for any **loss or damage** to **your vehicle** or possessions in which **you** do not have an insurable interest at the time of the loss. If more than one person has an insurable interest in the vehicle or possessions, the most **we** will pay is up to the insurable interest **you** have.

## Losses not covered by this policy

If **we** are required by law to make a payment that is not covered by the **policy**, **we** have the right to recover the payments from **you** or the person who is liable.

### Mileage

**We** reserve the right to establish the mileage on **your vehicle** at any time. Where the annual mileage **you** agreed with **us** has been exceeded, **your** premium may be increased to that which applies to the mileage driven. If **we** become aware that the annual mileage has been exceeded at the time of a claim, the higher premium may apply from the start of the **period of insurance** and the additional premium will be deducted from the claim payment.

# General policy conditions

## Notifying us of a change

You must inform us if any of the information on which this insurance is based changes. Failure to do so may result in your insurance no longer being valid and claims not being met. If in doubt about any change, please inform us.

If your policy is amended as a result of any change, we will be entitled to vary the premium and terms for the rest of the period of insurance. You should keep a record (including copies of letters) of all information supplied to us in connection with this insurance.

If you replace your vehicle or make changes to the drivers, or how you use it, your insurance will no longer be valid and claims will not be met until either a cover note or certificate of motor insurance has been issued. If you make any changes to your vehicle your insurance will not be valid until we have agreed to accept them.

## Other insurance

If other motor insurance applies to a covered loss under this policy, the cover provided by this policy will be as excess to any other available insurance.

## Period of insurance

The period of insurance is shown on your schedule. All covers on this policy only apply to incidents that occur during the period of insurance stated on your schedule.

## Policy changes

No change or modification to this policy shall be effective except if confirmed in writing by us or unless covered under the cover enhancements condition of your policy.

## Right to renew

If you pay the premium to us using our premium instalment scheme, we will have the right (which we may not use) to renew the policy each year and continue to collect premiums using this method. We may vary the terms of the policy (including the premium) at renewal. If you decide that you do not want us to renew the policy, as long as you inform us before the next renewal date we will not renew it. Our right to renew this policy does not affect your cancellation rights detailed on page 5 and page 33 of your policy.

## Rights of third parties

You and we are the only parties to this policy. Nothing in this policy is intended to give any person any right to enforce any term of this policy which that person would not have had but for the Contracts (Rights of Third Parties) Act 1999.

# General policy exclusions
